### Any format you like

Simply record your processes and ClickLearn will automatically generate **8 different formats** of branded learning material; HTML, Word, PDF, PowerPoint, Show-me video, Try-me video, Test-me video and On-screen assistants.

### The pain of upgrades eliminated

Whenever you upgrade or modify your Dynamics platform, ClickLearn will **upgrade all your documented processes**. No need to start over. Just click replay and all is updated automatically. ClickLearn even outputs your learning materials in 45 languages from a single recording session.

### Automated process testing

Use ClickLearn recordings as the foundation for **all your process testing** when upgrading your Dynamics platform. Support multiple test scenarios, parameterization and automated feed-back collection.

### Publish learning materials anywhere

Perform a **one-click publish** to the secure ClickLearn Cloud™, publish to your existing SharePoint sites or publish as a SCORM package into your existing LMS system. The choice is yours.

### Need help? Unlimited customer care for free

Holding a ClickLearn software license means you are in safe hands. You will have **unlimited access to telephone and email support**, free webinars, free upgrades at no extra cost. ClickLearn leaves no one behind.
